## Practice Membership Plan Terms and Conditions of Registration

### Definitions

In these terms and conditions save where context otherwise requires:

'The Contract' comprises the offer detailed in Kirkcudbright Dental Surgery Practice Membership Plan brochure or leaflet, the signed Kirkcudbright Dental Surgery Practice Membership Plan Registration Form and these terms and conditions. 'The Practice' means Kirkcudbright Dental Surgery. 'Your Dentist' means the dentist you are registered with and who is specified overleaf by his or her initials or name. Kirkcudbright Dental Surgery Practice Membership Plan is the service provided by Your Dentist, to which you pay a regular monthly fee. Details of what services you are entitled to are outlined in the Practice Membership Plan leaflet or brochure.

#### 1. Treatment to which you are entitled

The contract entitles you to receive dental care as agreed between you and Your Dentist and may be detailed in the Kirkcudbright Dental Surgery Practice Membership Plan leaflet or brochure or, in the case of a Treatment Plan, such treatment as shall be agreed between you and Your Dentist.

#### 2. Treatment to which you are not entitled

The Contract does not entitle you to:

- Treatment over and above that specified in the Practice Membership Plan Leaflet or brochure;
- Treatment which is in addition to, or by any method alternative to, that reasonably considered appropriate by Your Dentist to maintain your oral health.
- Placement of Implants or any Crown/Bridge/Precision attachments or Dentures associated with Implants.
- Tooth Whitening (Bleaching).
- Treatment of Gum Disease (Periodontitis) is not classed as routine scaling and polishing. However, it does attract a 25% discount.

#### 3. Prescription charges

The Kirkcudbright Dental Surgery Practice Membership Plan monthly fee does not cover pharmaceutical prescription costs.

#### 4. Treatment by another practitioner

The contract is with your dentist alone. If your Dentist arranges for an associate or perhaps a locum during a temporary absence to provide treatment on his or her behalf, this will be covered by the Contract. If, however, you are referred for specialist treatment to another practitioner for any other reason and who treats you independently of Your Dentist, this will not be included in your Contract and will be responsible for the practitioner's fees.

#### 5. Payment

You must pay the joining fee and ongoing monthly fee by Direct Debit in favour of Kirkcudbright Dental Surgery. Any other amounts due to Your Dentist, e.g. for prescription charges or treatment not covered by the Contract, are payable directly to Your Dentist. Your liability to pay the monthly fee continues until the contract is ended in accordance with these conditions. No refund of fees will be allowed except in the case of administrative error.

#### 6. Alteration of monthly fee

Your Dentist may alter the Kirkcudbright Dental Surgery Practice Membership Plan monthly fee, by giving one month written notice of this charge. See 7.

#### 7. Changes to your Direct Debit

If your monthly fee is increased, you will receive one month's written notice before the charge takes effect. If your monthly fee is decreased for any reason, your Direct Debit will be changed immediately.

#### 8. Your responsibilities

You must keep any appointments made with Your Dentist and pay any 'missed appointment' fee reasonably imposed. You must attend Your Dentist for regular examinations, take responsibility for maintaining your dental health and promptly advise Your Dentist of any injury, problem or other material matter affecting your dental health.

#### 9. Ending the contract

You or Your Dentist may end the contract by giving not less than one month's written notice to the other party. All obligations must be fulfilled on termination.

#### 10. Non-payment

If the monthly fee remains unpaid one month after it is due, Your Dentist may end the contract immediately by giving you notice to that effect. You will still be liable, however, for all sums outstanding to Your Dentist.

#### 11. Variation of these conditions

These conditions may be amended by Your Dentist from time to time and you will be given one month's written notice by Your Dentist. If you do not wish to continue the Contract having been notified of the amendments, you may end it in accordance with condition 9 above. If you do not do this by the time said notice expires, you will be deemed to have accepted the variation.

#### 12. Contract transfer

The contract is between you and Your Dentist. In the event of your Dentist leaving the practice or being absent long-term, the contract may be transferred to another dentist or terminated. You will be notified in writing of any changes of this nature and need do nothing if the arrangement is acceptable to you. If the change/transfer of contract is unacceptable, you have the right to terminate under condition 9 above.

#### 13. Treatment outside the contract

Nothing in the Contract prevents you and Your Dentist agreeing that he or she will provide treatment outside your entitlement under the Contract. Payment for such treatment will be as agreed between you and your Dentist.

#### 14. Governing Law

The Contract shall be governed by and construed in accordance with the law of Scotland and the parties agree to prorogate the non-exclusive jurisdiction of the Scottish Courts.
